

TRACK 5(E) PLAYING WITH A BALL

- (a) As **background music**-children can have some light soft balls and roll throw, bounce or kick the ball around a good space. They stop and pick the ball up when the music finishes.
- (b) Put a line marker on the floor. Can the child jump over the line and back again with the music in the **background** or can he/she stand beside the line and jump/over the line and back again **to the beat**.
